### *About CrimsonLogic*

*CrimsonLogic was the first company accredited for ACE in Canada as a certified ACE service provider for the carrier industry. As a worldwide leading IT provider, we specialize in electronic pre-arrival reporting to Canadian and US government authorities in air, ocean and highway transportation. For any questions on this ACE participant, please contact us at 1(877) 763-6887 or email to [acesupport@crimsonlogic.com](mailto:acesupport@crimsonlogic.com)*
